President's Message

Comox Valley Schoolhouse Quilters' Guild

BEE DAY

Come join the fun of a quilting bee day. This will be at the guild hall every 4th Thursday of the month. The first was held on November 24th with pattern and fabric supplied by the guild for this project.

Each 4th Thursday a new pattern will be supplied at the guild for you. You can make a block with supplied fabric and then use your own fabric to build a block, perhaps two, one for you and one for the Community Quilts quilt.

Hopefully some of us can do sashing, binding, quilting so that we can present a completed quilt. Patterns will only be supplied on the day at the hall since the intent is to do this together.

Come have some fun, get to know fellow guild members better, perhaps learn a new skill or enhance one.

If you have any questions contact Debbi, Peggy or Janis.

Your president

Debbie

Celebration of Quilts Boutique

We are looking forward to our Boutique Sale as we celebrate with Cumberland at their 125th birthday party!

We will have a special space set aside for us on the main floor of the hall. We know that many of you participate in crafts other than quilting, so are encouraging you to include any other small craft items you make in our sale. Smaller pieces are our best sellers, however, we will include as many quilts as we have space for.

Just a reminder... this is a guild members' sale, so it is not appropriate to be selling things that your friends, spouses, business partners etc have made. Because both Jan and Anne will be travelling before the show, we would like a commitment from you by the May meeting. Jan has the work schedule sign up ready to go and will have it at guild on Thursdays.

We do hope that many of you will choose to participate. If you are interested, please contact Anne McCullough (aemccul@gmail.com) or Jan Hill (janpeterhill@yahoo.ca) and we will pass on the details to you.

Quilt Show Raffle Basket Request

If anyone has any new item(s) languishing in their sewing room, never to be used, that may be worthy of putting into a raffle basket and they would like to donate them, please contact myself (Theresa), Sharon Hanson, or Terry Hooper.

Of course proceeds are to be used for childrens quilts and breast cancer bags.

Community Quilts News – April 2023

We had a very successful fabric sale in February! We made over \$800 – thanks to the donations of fabric, kits and other miscellaneous items. Community Quilts will use the money to purchase batting and materials for making labels. Thank you to those generous folks who gave us items to sell and all those shoppers!

Another 30 breast cancer comfort kits went off to our local hospital in March. There are some kits for these available in a marked basket in the hall storage room.

Here are some more organizations that we donate to:

Quilts for seniors

Last year Community Quilts donated 44 quilts to The Views and Cumberland Lodge. These quilts are usually given to new residents to as a welcome to their new home. The quilts remain with the residents and are passed on to their families. These are smaller sized quilts to be used as lap quilts, either on beds, chairs or wheelchairs. Last year we also donated a Christmas quilt to Cumberland Lodge to use as part of their Christmas decorations.

Quilts of Valour – is a nationwide organization that we donate quilts to.

The Quilts of Valour – Canada Society has presented quilts to thousands of recipients who are coping with injuries both visible and invisible. These quilts are made by volunteer quilters from across the country who wished to show their appreciation to our injured Canadian Armed Forces members, past and present for their bravery and commitment to Canada and its citizens. The quilts come from individuals, groups and guilds, men and women, young people, retired armed forces members themselves and many others with no connection to the military.

All of the quilts that we give them are donated to recipients in the Comox Valley or Northern Vancouver Island. Community Quilts do not decide who to give these quilts to. Nominations are given to Quilts of Valour organization and they determine who receives them. Last year we donated 6 Quilts of Valour. If you are interested in making one of these, please check out the Quilts of Valour website (www.quiltsofvalour.ca) for size requirements and pattern suggestions. Generally these are larger quilts, 60"x80". Backing, batting are available for these quilts, and there is a long armer who quilts them – so all that you need to do is make a flimsy. Nerissa Thomas is the Comox/Northern Vancouver Island representative for Quilts of Valour, so if you would like more information or would like to make one, please contact her. She has recently presented 2 quilts to WW 2 veterans – one 97 and one 95.

Comox Valley Schoolhouse Quilters' Guild

www.schoolhousequilters.com

Suggested Sizes for Community Quilts

Seniors (The Views) 40" x 50" or 45" square

Adult lap (Lilli House) 45" x 60"

Children' 40" x 50"

Quilts of Valour 60" x 80"

Senior Quilts – are a smaller size because they are easier to use with a wheelchair, and are given to women and men.

Transition Society (Lilli House) – mostly young women with children of all ages.

Quilts of Valour – please check with quiltservalour.ca website for suggestions

Colleen has been busy doing community quilts like this one.

This quilt was pieced by Gail Kirkoski.

I quilted it and put the binding on.

It was donated to Community Quilts.

Can Someone Help?

The guild is holding a quilt show in June and Community Quilts has been asked if we wanted to raffle off some quilts, which would be a good opportunity for us to make some much needed funds for the next year. We have quilts that we could raffle - the only problem being I will be out of town from May 28 until the end of June. It is our 50th wedding anniversary in June and we are planning a trip. I need somebody (or 2 people) to take over the raffle. I can arrange for the gaming licence and get the tickets printed; by I will need someone to help with:

- setting up the quilts to be raffled
- setting up a roster of ticket sellers at the show
- collecting the money each day of the show and depositing it with the show Treasurer (Colleen Love)
- drawing the winning ticket(s) on the draw date (usually the last day of the show) and contacting the winner (s)
- arranging for the quilt(s) to be delivered to the winner

The Quilt Show committee has also asked if Community Quilts will have a display at the show.

Again, I won't be there so someone would need to set up a table - we have a quilted Community Quilts sign that can be used - and a little display of what sort of things we do.

I can write up a blurb that can be displayed, but someone needs to organize this. The same table that is used for raffle ticket sales could be used for a display.

If no one is willing to take this on, we won't be having a raffle or display. Please contact me if you are interested in helping us out.

CAMP HOMEWOOD RETREAT

October 18th to 22nd 2023

This will be a **four** day retreat which provides us with lots of valued time for sewing and socializing.

Please note this retreat will run from 11am Wednesday to 11am Sunday.

The cost per individual for the **four** days will range from \$352. to \$445., depending on the room you choose.

Please note there has been a 10% increase on daily rates.

The starting range of \$352 includes the three non-updated private rooms in the guesthouse, as well as bunk style dorm rooms in the main lodge which sleep up to 7. However on average there are usually anywhere from 2 to 5 in these rooms.

Individuals in these rooms have shared bathroom/shower facilities. There is a separate handicapped washroom available to any that may require ease of access to toilet or shower.

There are also newer rooms available which sleep up to 3 and have their own washroom, including shower/tub. The cost of these rooms per person will depend on how many are sharing.

All prices include 3 meals a day, along with snacks in the evening consisting of cookies/squares, fruit, coffee, tea, and hot chocolate.

The meals at Camp Homewood are plentiful, with lots of selections at each meal . . . you will never walk away hungry!

If you have never been to a retreat at Camp Homewood we urge you to give it a try. It is a lot of fun and a great way to get to know your fellow

quilters.

In the past we have seen a number of quilters who have attended retreat for the first time, and we continue to see more of them becoming regulars.

If you wish to sign-up or for further information please contact one of the retreat coordinators listed below.

Our contact details can be located on the guild website under "retreats" or by viewing the membership list.

Full payment due the beginning of October. We look forward to seeing all of our regulars as well as some first timers for the upcoming retreats.

Information Night/Speed Demos - March 2023

The Information Night/Speed Demos at the March monthly meeting went well. Thank you very much to Sheila Scrase, Gayle Hampton, Peggy Hawkins, Theresa Pinke, Debbie Maxwell and Karen Ross for giving a presentation.

A document giving web site links for each Demo was handed out to all those in attendance. If you missed the evening, that information has been included in this newsletter.

Next month one of our members is going to be showcased. She will show some of the interesting items she has sewn.

I do want to thank four members who have brought forward ideas for future programs. I am the facilitator and must have some ideas for program ideas from any or all of you, please.

Thank you.

Sullivans Dry Silicone Spray from Fabricland

Tips for using Metallic Thread by Karen:

I used "Glitter" by Superior Threads" a flat hologram Mylar thread (4 ply film) with incredible sparkle. Made from metalized polyester similar to a Mylar balloon.

- Used for quilting, embroidery and decorative stitches.
- There are 24 colours with 400 meters on each spool.
- washer, dryer safe and medium iron temperature safe.
- home machine 90\14 needle and top tension 1.0

- placing the thread holder 2-3 feet from machine allows the thread to unwind.
- used Dry Silicone Spray on spool, bobbin and needle to eliminate skipped stitches and reduce thread breakage. It dries quickly and does not stain.
- I used regular cotton/poly thread in bobbin

Stash-Buster Quilts

Lynne Edwards

Published by David & Charles 2006

Guild Library #350

Lynne Edwards has described herself as 'a teacher who quilts rather than a quilter who teaches'. One focus is on getting younger people interested in having fun with textiles and putting them together - accuracy can come later. For this attitude and the tremendous work she has done by teaching, judging shows and writing many books, Lynne, in 2008 received an MBE 'for service to arts and crafts'. Interesting that this award was presented by the Prince of Wales (King Charles III) who collects old Welsh quilts!

Stash - Buster Quilts main emphasis is on using some of your fabric stash as quickly and easily as possible. Be sure it is an enjoyable experience! Throughout the book there are time saving techniques shown by the use of an hourglass with a stop symbol printed on it. Picture of sewing shears next to cutting or stitching information draws your attention to extra advice, reflecting the experience of the designer and again, helpful when saving time and effort.

The 20 projects range in size from full size scrap quilts to stuffed pigs. Several variations of each project are often shown, giving a lot of ideas on use of color. Directions and diagrams are especially easy to follow, and a nice touch for each project is an explanation as to how and why this particular design came into being.

Following Lynne's directions, creating 'Corner Square' (pgs 84-89) is simply a matter of cutting on lines which look like they have been incorrectly placed. Voila, not so! Making a number of 'Nine Patches'

is easy (pgs 92 - 93) following her instructions, and 'Ohio Star' (pgs

94-95) is just as easy. Some of these ideas need refreshing in our memories - likely a long time since we have seen a demo.

Enjoy Lynne's humor, too! When a bargello quilt was finished by a student, after many years, Lynne suggested it could be included in this book, 'if I could work out some instructions for it.' 'You should be able to', the student replied. 'It was a project in a magazine, and you wrote it'.

GUILD LIBRARY NEWS

Our guild is very fortunate to have a wonderful and diverse collection of quilting resources in our library, from books to templates, DVDs to some patterns. Our sign-out/in system is working very well and we do appreciate members returning books on time so others can use them.

In order to facilitate the smooth running of the library we have a request to the members. Please do not bring in loads of books, magazines, patterns, etc. to donate to our collection. We know that members mean well but it has become an overwhelming task for the librarians to sort through and triage the items. Just a few become possible additions to the library and of the remainder some are kept for a book sale to raise funds to buy new books, but most go on the free table or have to be put into garbage somewhere – they cannot be recycled. We do appreciate the good intentions but it just not possible for the two of us to deal with the huge numbers of books such as we have received lately. And please put magazines on the Free Table, we don't deal with those.

Many of us are downsizing and our sewing rooms with our well-loved book collections are often first on the list to triage! If do you have quilting books, patterns etc., you would like to donate for possible inclusion in the library or a book sale, please contact Diane Cave or Beth Ritchie before bringing them to the hall. Please do not bring in old books, i.e., published in the 1980s or 1990s. Once books etc., do come in we will go through them to see if they are already in our collection – and if they are we may be able to keep them for one of the periodic book sales. We will ask you to take home what cannot be used - or they can always go on the Free Table! In that case please take home what is left of yours when you leave.

Thank you! Beth & Diane

Celebrating Quilts – A journey through the years

The first meeting for those interested in helping put on next June's event, was held on September 29. We were very pleased with the turnout – and with the enthusiasm shown by everyone.

At the Oct. 27 meeting we decided on what to call the event. After a few good suggestions (and all were very similar) it was decided to call the June event **Celebrating Quilts – a journey through the years**.

All the committee head positions have been filled, now we just need lots of volunteers to help them.

SUNSHINE

I am so glad to see more quilters coming out each week for sew days. It seems as if all our precautions have paid off as I have not heard of any members that have been very ill.

Please do not forget to call or email me if you have heard of anyone that needs some sunshine.

Thank you so much for the donations of the cards. We are grateful for the card donations, and it makes my job easier. We have a good supply of cards for now. Don't forget to send along the info so I can send along a note of cheer.

It has come to my attention that some members are needing assistance in getting out to a meeting. Please let the executive know so we hopefully find some help for you.
