

Sew Together bag supply list – April, 10 2023

Exterior fabric: 1 fat quarter (18"x22")

Lining fabric: ½ yard X WOF - Creates outside of pockets and sides.

You can use 4 different fabrics that are sub cut to 8 ¾" x 9 ¾"

Pocket lining: 1/3 yard X WOF – lines the 3 pockets.

(tone on tone is nice – not busy)

Binding fabric: 1 fat quarter (18x22")

Interfacing: ½ m 809 Décor Bond fusible interfacing.

I like this weight and type of fusible.

Zippers:

1 -22" zipper - May be regular or larger teeth which has a wider tape.
Pattern calls for 18".

3 -10" - 12" #3 zippers. Pattern calls for 9" but longer makes it sooo much easier to avoid metal.

Special items to bring:

zipper foot, wonder clips, Wonder tape which is ¼" and no wider

(ie. 3/8"). This is **not** an iron on product.

Usual workshop items - Bring Machine, manual, rulers, rotary cutter, marking tools.
